

Spray-on Grease white

all-purpose sprayable grease

Spray-on Grease white is a multi-purpose sprayable grease with an outstanding adhering strength and excellent aging and pressure resistance.

The addition of special wearreducing and corrosion-inhibiting additives allows it to achieve temperature stability from -20°C to $+150^{\circ}\text{C}$ (-4 to $+302^{\circ}\text{F}$) in combination with a long service life. As with transparent products, a visual inspection is possible at all times.

WEICON Spray-on Grease white can be used for the long-term lubrication of rods, gearwheels, rollers, ball bearings, hinges, guides and all types of joints and couplings in many industrial applications.

ISSA: 53.402.50

Technical data

Colour	white
Odour	solvent
Temperature resistance	-20 bis $+150^{\circ}\text{C}$
Shelf life (minimum)	24 months
Special features	good adhesive + lubricating proper.

Processing

Thoroughly clean parts to be lubricated (e.g. with Cleaner Spray S). Shake can before use and spray on at about 25 cm from surface.

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding $+50^{\circ}\text{C}$.

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation.

We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only

responsibility for non-appropriate or other than specified applications.

Health and Safety

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.
